

**UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA**

United States of America,

Case No. 23-cr-155 (SRN/TNL)

Plaintiff,

v.

ORDER

Obuatawan Leon Holt,

Defendant.

This matter comes before the Court on Defendant Obuatawan Leon Holt's Motion for an Extension of Time, ECF No. 45. Defendant also filed a Motion to Continue Motions Filing Deadline and Motion Hearing and to Exclude Time Under the Speedy Trial Act, ECF No. 46 at 1-3, and a Statement of Facts in Support of Exclusion of Time Under the Speedy Trial Act ("Statement of Facts"), ECF No. 46 at 4-5.

Defendant requests a 30-day extension of the deadline for filing pretrial motions. ECF No. 45. Defendant states that additional time is needed to file motions because his counsel has not received over 200 documents from the Bureau of Criminal Apprehension's Lab. *Id.* Additionally, Defendant contends that an extension is necessary to allow the parties to meet and confer regarding multiple categories of discovery, the basis for this prosecution, and several potential pretrial motions he may need to file. In his Statement of Facts, Defendant requests that this period of time be excluded from computation under the Speedy Trial Act. ECF No. 46 at 4-5. The Government has not filed any objection to Defendant's motion.

Pursuant to 18 U.S.C. § 3161(h), this Court finds that the ends of justice served by granting a continuance outweigh the best interests of the public and Defendants in a speedy trial and such continuance is necessary to provide the parties and their respective counsel reasonable time necessary for effective preparation and to make efficient use of the parties' resources.
